APRIL 2024

Leader's Message

Our team had the incredible opportunity to volunteer at [Canine Companions](#) in Santa Rosa, CA. We worked together to spread mulch around the property and picked lemons for all to enjoy!

After our efforts, the amazing team at Canine Companions graciously took the time to give us a tour of their facility. We witnessed firsthand the incredible work they do to train assistance dogs and provide support to individuals with disabilities. We look forward to future opportunities to support their mission and continue our partnership with this wonderful organization!

We're excited about teaming up and contributing our time through

volunteering with other organizations in the North Bay throughout 2024. It's all part of our ongoing dedication to fulfilling our core value of serving our community!

With Appreciation,

JJ Fitzgerald
Chief Operating Officer
Landesign Construction & Maintenance, Inc.

Spring Checklist

It's time to dust off the gardening gloves and delve into the seasonal transformation awaiting our landscapes. From clearing away debris and mulching flower beds to pruning dormant branches and assessing irrigation systems, each task on the checklist plays a crucial role in revitalizing the garden after the winter hiatus.

Below is our Spring Checklist. If you need help with any of the items listed, don't hesitate to reach out. We're here to assist you in crossing them off your list – [**contact us today!**](#)
