DECEMBER 2017

Founders' Message

Happy Holidays to our highly-regarded customers, vendors, business partners, prospects and employees! Thank you for your support and loyalty throughout 2017 – it's been a challenging year to say the least, but we have a lot to be grateful for and many great successes to celebrate!

Please look out for our annual customer survey – your valuable feedback is used to shape our company goals and priorities for 2018. This year, we are performing our customer survey online, which you can look out for in a separate email.

When you complete the survey, you'll receive a cup of coffee on us for your thoughts: we will send you a Starbucks gift card as a thank you! Your feedback is greatly appreciated.

Sincerely,

John and Denise Fitzgerald

Our New San Rafael Branch

Our San Rafael Branch is open for business, and we've made some great additions to our team to lead and develop this exciting endeavor! We are excited to announce this new branch location, as it will allow us to better serve all of our Marin County customers.

Welcome to Our Newest Team Members!

Please join Landesign Construction & Maintenance, Inc. in welcoming our newest team members: Blaise Turek and Guillaume Couret.

Blaise Turek

Guillaume Couret

Blaise Turek - Business Development Manager, Marin County

With the creation of our new operations facility in Marin County, Blaise's focus will be the growth and development of our Marin County market. Blaise brings 35 years of commercial and residential landscape management experience to Landesign and has overseen the landscape management of many award-winning landscapes in the North Bay. Blaise attended Humboldt State University, majoring in Industrial Arts, and has accreditations in ornamental horticulture, water management and sustainable landscape management practices.

"My favorite thing to do now is to walk properties with owners and property managers who are passionate about their landscaping and offer them advice, ideas and solutions. When I see their eyes light up, I know I'm doing my job."

Blaise and his wife Susan have lived in Penngrove for the last 30 years. Though now empty nesters, they love to convene their large family, including their dogs and friends for barbeques and family time.

Guillaume Couret - Account Manager, Marin County

Guillaume is our new Account Manager for our new San Rafael Branch. Guillaume's native city, Toulouse, is located in the south of France, and he moved to the U.S. in 2010 to live in the beautiful Sonoma County that reminds him of the region where he comes from. He has been in the landscape industry for almost 20 years - combining French and American landscape experiences. Guillaume's career began working in the field and progressed to account management over the years. Guillaume possesses two French degrees in French landscaping and horticulture, as well as Bay Friendly and Qwel certifications. He is also working towards being irrigation tech and turf maintenance certified through the CLCA's certification program.

Besides landscaping, Guillaume loves to share his time with his family and friends around a good meal and a Californian wine... Santé!

Project Spotlight: Tam Ridge Residences

Tam Ridges Residences is located in Corte Madera of Marin County. Amenities include a half-acre private landscaped park, complete with heated pool, spa, bocce ball court, BBQs and outdoor fireplaces. The project will be certified Leed Silver.

The second phase of the landscape installation was awarded to Landesign and completed in the summer of 2017. Additionally, we are pleased to have retained the ongoing maintenance of this beautiful property. The plant material includes many low water use grasses and some large, eye-catching succulents.
