Survey results are in!

Founders Message

Thank you to all who participated in our customer survey. Your feedback is crucial to our continued success and growth as a company. Your responses guided our 2017 strategic planning meeting and helped us to determine our priorities for the year ahead.

We were pleased to receive some nice testimonials from our clients, but more importantly some excellent suggestions for our improvement. We appreciate your time and business!

We are excited to announce the winner for our \$250 gift card to the Spa at Fairmont Sonoma Mission Inn!

Congratulations Christine Marshall, Regional Manager, Burbank Housing!

Happy Valentine's Day!

ECHO Marin EXPO & Seminar:

We enjoyed speaking with many of you at the [ECHO \(Educational Community for Homeowners\)](#) Marin EXPO & Seminar! Thank you for stopping by to say hello and to discuss your landscape needs and goals. We hope you are enjoying our succulent parting gifts!

The seminar covered the latest in legislation and case law updates affecting HOAs and community leadership in 2017.

Landesign will be on display at the next ECHO event, the Wine Country Seminar in Rohnert Park on March 25th. You can register for the event by [clicking here](#).

Welcoming Victoria to the Landesign Team!

Victoria joined Landesign in September 2016, and has been a wonderful addition to the Account Management team! With a degree in Landscape Architecture from UC Davis, her experience includes landscape design, commercial landscape maintenance and enhancements.

She received the 2015 [CLCA \(California Landscape Contractor Association\)](#) Excelsior Award and Belgard Wall Design Award while at her previous employer Black Diamond. Additionally, she designed for the Del Webb Communities landscape department in Roseville.

Victoria is currently serving on the North Coast CLCA Board and enjoying working closely with her clients, crews, and the Landesign management staff. She spends her leisure time with her husband Scott, sons Christopher and Blake, and cocker-spaniel Dusty. She enjoys gardening and forestry work at the family cabin at the Russian River. We are thankful she is part of the Landesign team!

The Importance of Winter Landscaping:

Storm clean up, pruning and bed maintenance in the winter set the foundation for the spring

and summer season. Our highly trained crews are pruning away so your site's will be ready to bloom in Spring.

- **Shrub Bed Preparation** by raking and detailing is essential for pre-emergence and new mulch (if budgeted).
- **New Mulch** provides needed moisture and controls weeds, erosion, and gives your property a finished look! [Click to schedule](#)
- **Winter Pruning** focuses on plant form to ensure they are ready for spring growth and blooms.
- **Shrub Bed pre-emergence** will prevent weed germination through the spring and summer, and we recommend all high visibility shrub bed areas be treated. [Click to schedule.](#)

**Do you have a landscape project in mind?
Need a competitive maintenance service proposal?
