

Volume 6, Issue #2

## Winter work pays off all Season!

---

### February Work

Our customers sometimes ask what we do in winter months. January and February are crucial months in landscape maintenance; this work sets the foundation for the spring and summer season.

- **Shrub Bed Preparation** by raking and detailing is essential for pre-emergence and new mulch (if budgeted).
  - **New Mulch** provides needed moisture and controls weeds, erosion, and gives your property a finished look! [Contact here to schedule](#)
  - **Winter Pruning** focuses on plant form and rebuilding for plants to ensure they are ready for spring growth.
  - **Shrub Bed Pre-Emergence** will prevent weed germination through the spring and summer, and we recommend all shrub bed areas be treated. [Contact here to schedule.](#)
- 

### Paperless Billing

Sign up and we will send an email to you with an attached invoice on the 1st of each month, saving trees and time!

Send an email to [Janessa](#) with your preferred billing email and property information to sign up for paperless billing today. Thank you for helping us save trees!

We accept these credit cards for payment:

## Welcoming Our Newest Client

We are pleased to welcome **Eucalyptus Knoll** to our maintenance services division! Eucalyptus Knoll is a large condominium community located in Mill Valley overlooking the Pickleweed Inlet.

The contract started as a turf removal and renovation project with the installation of drought tolerant plant materials. After installation and with further discussion, Landesign and Real Manage have been developing a phased budgeting plan for future turf renovation and installation of low water use plant materials.

It's always a feather in our cap to install a landscape and then be hired to maintain the property afterwards!

Eucalyptus Knoll is managed by **Real Manage** Property Management, and this is our second time featuring one of their properties. Thank you to Real Manage and Eucalyptus Knoll condominiums!

## **Founders Message**

The warm weather this week feels like spring already! February is a busy month with preparation of plants for spring and summer seasons. This is an important time for us to ensure your landscape is healthy and flourishing leading into the spring season.

**Be on the lookout for our customer survey that will be sent to your email tomorrow!** We value your time and have kept the survey a simple 13 questions. As a thank you for your time and highly valued comments, **we will send you a Starbucks gift card upon completion of the survey.**

Your feedback is greatly appreciated as is your business!  
Sincerely,

**John and Denise Fitzgerald**  
**Landesign C&M, Founders**
