## Time for Trees and Pest Control!

---

### We Care Pest Control

At Landesign, we are focused on building relationships, not transactions. Our management team is passionate about exceeding our customer's expectations and we instill that in our employees.

Landesign's goal is to be your landscape partner. We offer an outdoor solution provided by WE CARE PEST & Termite Control.

We Care Pest and termite Control is a locally owned, full service pest control company that eliminates termites, rats, ants and other general pests for residential, commercial and industrial clients. In addition to providing complete insect and rodent control, they offer non-poisonous gopher and mole control.

For safety of its customers and their families, We Care uses integrated pest management techniques and environmentally-safe products whenever possible.

**\$50 off your first purchase!**

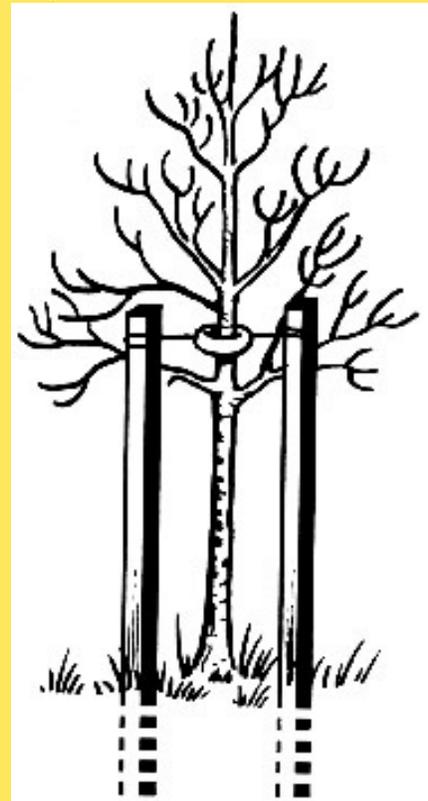

**Receive \$50 off your first pest control service! Call Bob Cerri at 707-578-2657 to schedule your inspection and mention this add!**

Offer Expires April 30<sup>th</sup>, 2016

## **Planting Trees - Now is the time**

Tree lovers take note - Spring is the ideal time to plant a tree, which is late February to early April. There's a lot to know and do to ensure proper installation, staking and then subsequent removal of the stake. In an ideal world, trees would never require staking but because so many of them are grown in containers, their roots and trunks are not strong enough to support themselves once they are planted in the landscape. It's also important to stake properly thus avoiding damage to the tree. So if you're looking to plant a tree that will bring beauty and enhance your property for many years, please contact us. We can assist you in selecting the best tree for your needs and making sure that it gets off to a great start!

## Founders Message

Our annual Customer Satisfaction Survey was sent out this month and the responses are rolling in (if you did not receive the email please check your junk folder or simply reply to this email). The importance of your feedback is priceless to our continued success and growth as a company. THANK YOU for your responses to our survey, and expect to see us soon hand delivering your Starbucks cards!

We continue to prepare your landscape for the Spring season by pruning, controlling weeds, prepping shrub beds, and fertilizing. Tree planting season is starting up and there is more to come! We encourage you to read our valuable information about what's going on next in the world of landscaping.

Thank you for your vote of confidence! Rest assured, we won't disappoint.

Sincerely,

**John and Denise Fitzgerald**  
**Landesign C&M, Founders**
