Happy New Year!

Refreshed Logo and Vehicle Wraps

Landesign brings on the new year with a new look! We are excited to unveil our refreshed logo, branding, and vehicle wraps. Keep an eye out for our newly wrapped fleet!

2016 is the Year of Expanded Horizons

We hope you are having a great start to 2016!

2015 was a strong year as our business grew with our existing customers and we added several new properties. We are proud of our team for their hard work and dedication to serve our customers well.

In our efforts to improve our customer service, each year we send out an online survey directly to your inbox. We are keeping it short and sweet, and we're offering a Starbucks gift card once you complete the survey. Your feedback is greatly appreciated as is your business!

Happy New Year,

John and Denise Fitzgerald
Landesign C&M, Founders

Welcoming Our Newest Client

We are excited to have been awarded the maintenance contract for the **Petaluma Marina Office Building**, located on the Lakeville Hwy. overlooking the Petaluma Marina and River. A coffee house and café are on-

site plus nearby dining options

include Tolay Restaurant and Giacomo's Ristorante. The immediate area also offers numerous shopping options including River Plaza, Adobe Creek and Plaza North

shopping centers. It is managed by **Basin Street Properties**.

Now is the time to contact Terri Erlendson or your Account Manager to schedule your Property Walk Through!

Build Bench Strength!

Our strong growth in 2015 created a lot of opportunity for our team, and showed us to continue our growth we need to have a stronger bench. We will continue to strengthen our bench to facilitate future growth.

Do you know someone with experience in the Landscaping Industry? Our [Careers Page](#) has job descriptions and employment applications, thank you!
