Happy New Year!

Founders Message

Happy New Year to you and your family from the Landesign Team! We appreciate you for your confidence and loyalty with us.

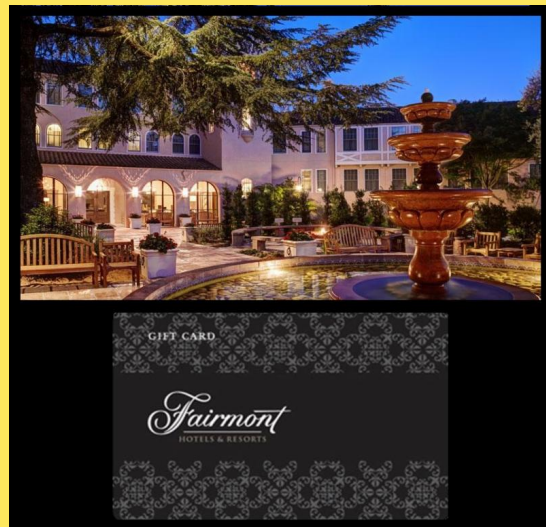

This week we will be conducting our annual customer satisfaction survey, so please be on the lookout for another email from us soon. Your valued feedback will allow us to look critically at our performance and help us to determine our priorities for 2017.

Upon completing the short survey you will be automatically entered in a drawing for a chance to win a \$250 gift card to the Spa at Fairmont Sonoma Mission Inn!

Thank you for trusting us with your landscape and we look forward to another great year together!

Sincerely,

John and Denise Fitzgerald
Landesign C&M, Founders

Winter Drainage:

The recent storms have been excellent for the drought conditions, but unfortunately they have also been damaging to many homes and properties throughout the North Bay.

Now is a great time to assess your drainage

systems because it is easy to identify where improvements need to be made. Poor drainage can cause a number of problems that will affect your property value, safety, community water source, and landscape longevity.

At Landesign we have you covered when it comes to providing creative and smart solutions to protect your property. Contact us to setup an inspection of your drainage system. It's shaping up to be a very wet winter!

Main Indicators of Drainage Problems:

1. Excess water around your buildings
2. Planting beds with standing water and drowned plants
3. Watery driveways and walk ways with pooling areas

Catch, Spee-D, and Channel Basins are great solutions we can help with!

Celebrating Desireé & Jenna's work anniversaries!

We brought on **Desireé Policarpo** to the Landesign team two years ago to work closely with Janessa Andrews in the accounting and HR departments. Additionally, she supports our Construction Division and is key for purchases made company-wide and employee information and records within Aspire. Previously she worked at Patelco Credit Union, a full service financial institution where she was a Member Service Representative dedicated to assisting clients improve their financial lives. We are happy to congratulate Desireé on her two year anniversary with Landesign!

We welcomed **Jenna Balch** to the Landesign team one year ago to work with JJ Fitzgerald on the implementation and roll-out of Aspire and to support the Maintenance Division. She became an Aspire super-user and provided hands-on training to our team to achieve a smooth transition to the new software. Additionally, she works with the marketing team on our monthly newsletters and other projects, and represents Landesign at trade shows. She joined our team following her graduation from Sonoma State University with a Bachelors Degree in Business Management.

We are happy to celebrate Desireé and Jenna's work anniversaries with our team and thankful for all their hard work!
