

### **Landscape Chemical Applicator (Spray Technician)**

We are a leader in landscape maintenance and construction in the North Bay. Start a career with us and enjoy being out in the region's beautiful environment. Our company provides opportunities of advancement through training and continuing education. We're excited about what we do and seek to employ those that share our passion for the green industry.

#### Position Summary:

We are currently seeking a **Landscape Chemical Applicator (Spray Technician)** within our Maintenance Division who will report directly to the Production Manager. This non-exempt position will be responsible for maintaining contractual obligations in regard to pesticide, herbicide, and fertilization management. This position is also responsible for ensuring a safe work environment for all personnel assigned to chemical use, and strict adherence to all federal, state, and local regulations.

#### Responsibilities:

- Treat specific insect, weed, turf disease and nutritional deficiencies by application of appropriate product.
- Use good judgment when applying chemicals (avoid exposure to the public, consider weather conditions and environment).
- Maintain tools and power spray equipment to ensure safety and attends safety meetings.
- Complete Chemical Reports and Service Requests and is available for "on call" emergencies.
- Basic knowledge of computerized irrigation systems and irrigation clocks
- Maintains chemical inventory and checks out/in chemicals to crews.
- Maintains accurate records of chemical usage according to all applicable federal, state and local laws, rules and regulations
- Ensure that all field equipment complies with federal, state and local regulations.
- Performs grounds maintenance functions (e.g., pulling weeds, raking leaves) using hand tools (e.g., pick, shovel) or landscape equipment (e.g., lawn mowers, weed eaters). Plants and waters vegetation.
- Provides excellent service (e.g., accurate, complete, and timely) to clients, work-site partners, and company staff in a courteous and efficient manner.

#### Eligibility Requirements:

- An example of the preferred education, training, and/or experience desired for this position includes: at least two (2) years of professional chemical application experience similar to that described above.
- Ability to move over uneven ground while using application equipment, lift up to 80lbs from ground to waist, and bend and twist to ground level.
- Clean driving record and valid license required
- English fluency is required, Spanish is a plus
- Interested candidates must apply through our website on the Employment Application page

#### What We Offer:

- Competitive pay
- Access to Medical, dental, vision, Simple IRA and other benefits
- Energetic, focused and collaborative work environment
- We are drug free and an Equal Opportunity Employer.
