OCTOBER 2021

Founders' Message

Here at Landesign, we couldn't think of a better way to kick off the fall season than with our annual employee service awards party! We went all out for this one as it was also our belated (due to covid) 30th-anniversary party! This is a Landesign tradition that's dedicated to bringing everyone together to celebrate the accomplishments of the year. One National Gold Award (NALP), Four 1st Place CLCA Awards, and nearly a 100% employee vaccination rate to name a few! This year's get-together for employees was held at the Pacific Coast Air Museum with delicious tacos catered by Los Tres Chiles.

It is big events like this one that truly show how much we have grown. Thank

you Landesign employees for another great year!

Sincerely,

John and Denise Fitzgerald
